

WILD RIVER REGULATIONS

1. The Wild River forms an integral part of the Aqua Park Zakopane facility, which is owned by POLSKIE TATRY S.A. company with its registered office at ul. Droga do Białego 7c in Zakopane
2. The provisions of the Aqua Park Zakopane Regulations and these Regulations apply to use of the wild river.
3. People using the wild river are required to read these Regulations, the signs, information boards, and instructions for use.
4. The depth of the wild river is 130 cm.
5. Children under the age of 12 must be constantly supervised by an adult, who bears the full responsibility for the children under their custody.
6. Without a guardian the wild river is available to all swimmers except children under the age of 12 and participants of organized groups.
7. The wild river is a pool basin with a strong water current.
8. The sole swimming position allowed for the wild river is on your back, with straight legs facing the swimming direction and your arms resting along your body. Other swimming positions are prohibited and dangerous.
9. Due to the level of potential danger you may use the wild river exclusively at your own risk.
10. It is strictly forbidden to:
 - *dive under the water surface
 - *stop inside the pool basin
 - *move in the direction opposite to the wild river current
 - *jump in the wild river outside of the designated place
 - *use wild river with objects that may cause damage to the body, including primarily: jewelry (watches, rings, etc.), glasses as well as plastic swimming gear (boards, etc.).
11. Lifeguards and the Aqua Park Zakopane service shall supervise compliance with these Regulations. All persons using the wild river are obliged to follow their instructions.
12. All persons violating the order or the provisions of present Regulations will be removed from the wild river and also from the area of Aqua Park Zakopane without the possibility of claiming reimbursement of incurred costs of stay.
13. In the event of an accident caused by failure to comply with these regulations, all liability shall be borne by the user.
