

The regulations of the bowling alley also apply to You

Please remember!

1. You only play in special shoes - you will receive them in the bowling alley.
2. Start the game with your hands free - it is forbidden to enter the alley with food or drink.
3. If in doubt, ask our crew for assistance.
4. Before you release the ball, make sure the bowling feeder is no longer operating.
5. Remember that you are supposed to make the ball rolling, and not throw it.
6. The player on the right has priority to roll.
7. Leave enough free space for the person preparing to roll.
8. Choose the right ball size for you before the game and do not change it throughout the game.
9. Do not cross the foul line - points from such rolls will not be added.
10. Treat bowling for points and victory as good fun - always win and lose with humor and honour.
11. When using the alleys, follow the instructions and information provided by the bowling alley employee.
12. Children under the age of 10 may stay in the bowling alley exclusively under adult supervision.
13. Persons whose status indicates the consumption of alcohol or other similar agents are prohibited from entering the bowling alley.
